

**CESA – SOUTHERN CHAPTER
SPRING WORKSHOP
March 8, 2012
8:00 AM – 12:30 PM
Center for Healthy Communities**

**Tough Times, Motivation &
Learning from Eachother**

The CESA - Southern Chapter Spring Workshop is a two part program focusing on how Emergency Managers can excel and achieve during the tough climate that exists right now for government, private sector and non-profits.

The first part of the program is brought to us by the Center for Organization Effectiveness. Dr. Connie Weiss will be speaking with the group on Motivation, Morale and Engaging Others in Our Programs. The CESA-SC Board hopes to continue to work the Center for Organization Effectiveness to do a series of professional and personal growth sessions at future workshops.

The second part of the program will be a panel of our peers discussing the December 2011 windstorms. The panel is a cross discipline look at a major disaster that impacted our region which lacked financial support from CalEMA and FEMA, saw challenges in restoration, and had many lessons learned for the emergency management field.
